NEW BUSINESS

- Emillee Speight, Nathan Larsgard, and Kevin Macintosh are the new signers for bank account

- Track adjusters on crawler out at track are repaired. Club paid for parts, Jonas Alm donated time.
- Trophies that were purchased for fall MX race will be put in ccan at track for future use.
- Jonas Alm called Stoneridge insurance to let them know MX race is cancelled. Stoneridge will be crediting us.
- Discussion of getting track locked up for year when snow flies. Jamie Vanderaa volunteered to lock up, drain water tanks, winterize equipment and relock gate when needed.
- Amber will store harescramble equipment
- Discussion of route to take next year for club. Everyone seemed to agree that we have 2 separate committees within association. Possibly have a set amount of people per committee, and if said committee does not get the set number, than there will be nothing happening for that division. For example, if Track committee does not get filled then track will stay closed until people step up. Meetings/financials would continue to be together. More discussion will happen in Spring Meeting set for February 7th 2017.
 - Discussion of memberships, and how we can split role so it is not just one person with huge load.
- Advertising needs to be done for elections for AGM meeting that will be held March 7 2017
- Jonas Alm will be putting thankyou's in the newspaper for sponsors, volunteers, etc.

Meeting Adjourned.
