To whom it may concern:

The Rocky Motorcycle Club is a non-profit organization that hosts both off road and motocross events during the summer months, while promoting a family friendly environment. This year, the club broadened its scope by taking over the ice racing series, formerly ran by Second Gear Club.

Currently we aim to hold 5 Hare Scramble races, 3 Motocross races, and a CMA series of 5 Oval Ice Races. Our sponsorship for the oval Ice Racing Series runs separately from the Motocross and Hare scramble series and packages for that series will be sent out later in the season. The oval series is a National CMA sanctioned series.

Our goals this year include greater media exposure to raise awareness about the club, a new highway sign upgrade for the track, new maintenance equipment purchase, a new website, upgraded track gate access and updates and modernization of the race trailer to handle the Moto-tally system the club integrated in 2017.

We would like to ask that you consider becoming one of our 2018 Corporate Sponsors. As a sponsor, in association with the Rocky Motorcycle Club, you will receive positive media exposure at our events as well as our webpage and social media.

We have included a sponsorship description sheet. Should you be interested in becoming a 2018 Corporate Sponsor, please don't hesitate to contact us.

Thank you in advance for your consideration.

Sincerely,

Rocky Motorcycle Club
